OUTLOOK

In Mauritius, given that the conditions precedent of the MOU with Safran Landcorp have not been met, the Board has decided to end the partnership but remains fully committed to develop Les Salines project despite the challenging market conditions. Accordingly, management is actively working on the launch of the project whilst awaiting the ruling from the Environment and Land Use Appeal Tribunal (ELUAT).

In Morocco, DPM is experiencing a significant pick up in demand with a number of sales expected during the coming months.
