COMMENTS

Semarar was listed on DEM at the end of September 2019 and is presenting its first quarterly financial statements. The current financial year which started on 01 October 2019 will have a duration of nine months, ending on 30 June 2020.

Adoption of IFRS 16

The Group has adopted IFRS 16 with effect from 1 October 2019. On that date, the value of all leases, principally the Group's interest in leasehold land, has been recognised as Right of use asset with a corresponding lease liability in the Statement of Financial Position. The value has been determined by using the present value of the remaining lease rental payments. Consequently, a Right-of-use asset amounting to Rs 25m and Rs 83m has been recognised on Domaine Palm Marrakech S.A. (DPM) and Praslin Resort Limited respectively.

Financial performance

Revenue of Rs 119m arose from DPM Phase 1 villas delivered during the quarter. It is important to note that as per VEFA law in Morocco, revenue is recognized in the Statements of Profit or Loss at the delivery of the villa whereas in Mauritius revenue is recognised as from signature of the Deed of Sale. Loss for the quarter stood at Rs 49m, in line with budget. This loss was mainly on account of finance costs associated with the purchase of land at Les Salines, Black River and operating costs at DPM. The Imperia Golf Estate project at Les Salines and Praslin Resort in Seychelles are yet to be launched with no revenue recognised to date.

OUTLOOK

Morocco: The delivery of the remaining DPM Phase 1 villas is scheduled for the next two quarters. The commercialisation of Phase 2 villas and land plots is gathering momentum with a number of sales expected before the end of the financial period.

Seychelles: Planning for the development of Praslin resort is progressing satisfactorily.

Mauritius: The marketing campaign of Imperia Golf Estate is ready to be launched. Management expects a favourable outcome concerning the ruling with respect to the appeal lodged against the EIA licence, which is unduly delaying this PDS project.

Works on the IHS project are expected to start concurrently with Les Salines Beachcomber Golf and Spa Resort.

The interim financial report is unaudited and has been prepared using the same accounting policies and methods of computation followed per the audited financial statements for the year ended 30 September 2019.
